JUDY SCHROEDER

Wednesday & Thursday August 15 & 16, 2018 9AM-4PM

Workshop Fee: \$150 Limited enrollment to 12

What if your sketchbook became more important than your camera? Recording the “everyday-ness” of your life can be a revelation and lead to an enhanced appreciation for the daily experiences we all have and mostly forget. You can record conversations, meals, special places and family treasures. It is especially wonderful for recording travels and special times. We will focus on the journal as an immediate, personal response to your experiences. You will learning about breaking up the page, hints about finding interesting subject matter and helpful suggestions about the written word.

Workshop Skill Level: All
