

Watercolor with Collage

JUDY SCHROEDER

Monday & Tuesday - March 18 & 19 - 9AM-4PM

Workshop Fee: \$150 Limited enrollment to 12

The addition of collage to the painting surface creates texture and excitement. But there is another reason I'm enthusiastic about teaching this technique - the elements and principles of design are taught to each student in college art classes, but not so often in the watercolor workshop setting. Collage has proven to be a wonderful way to introduce or review these very important concepts. We all learn more effectively if the activity is fun! Deposit 50%
